CS 199-34-1

Bangalore,
10th November 1934.

To

Sir Mirza,

Dewan of Mysore,

Bangalore.

Sir,

I beg to bring the few following lines to your kind notice and confidential enquiry for the safety of public as well as to Benign Government regarding the character and Trustworthyness of a responsible officer as S.D.O. in the administration of your Benign Government and request you to kindly effect necessary enquiry in the matter.

I am sure you know Mr. J.B.Mallaradhya (S.D.O. Doddaballapur Sub Division who is famous in his dancing tunes and hopeless character) and I am going to describe here a short notes on the works of this Gentleman.

1. He has borrowed a sum of Rs.3,000/- from one gentleman named Thamte Gowda, Hoashalli, near Tippagondanahalli, to whom he has awarded a good lot of amount as compensation to the acquisition of lands, without attaching the least interest to Government Duty, in addition to bribes received from him.

2. He has also borrowed Rs.1,000/- from one Mallasettappa, the Vice-President, Nelamangala Municipality, thro' whom he receives a good lot of amount as Bribe in all matters connected with him.

3. And again, I know fully well that he has borrowed a sum of Rs.9,000/- from one Mr. Sarof Bala Krishna Rao, Shimoga, (when he was as a Asst. Registrar). Out of which Mr. Krishna Rao has filed in Court for Rs.4,000/- has got Decree to his credit and the other document for Rs.5,000/- is still pending.

4. He is also in the habit of demanding Bribes from his subordi-

nates

A single instance will prove this to your kind notice. E.G. The Vice President of Devanhalli, who is Joining with him, took Rs.150, from a Taluk Office Clerk, promising to get a better Job in the Office of the S.D.O. The fact of this transaction was noticed by the Police Inspector, Devanhalli, and the same was also reported to the D.S.P. Bangalore, (stating that Mr. J.B. is collecting Bribes etc.) When this went to the notice of the Person Concerned he moulded the whole thing with the D.S.P. as they are almost in Friend Ship.

I beg to submit that it is no wonder, an officer of this Type having such a large amount of debt to discharge has stooped to such a thing and as such injustice is being done every day to a large number of innocent public and poor and faithfull subordinates who work under him, without interest to Government work.

Sir, in how many cases the incometax cases have been treated as B.T.M. even after knowing that the form 7 sent to the parties were of good value. Secondly may I know, how many times the poor officials who are not to his fancy have been troubled unnecessarly.

One would certainly be carried away by his appearance and dancing attendance before his superiors, I am sure you are also impressed with his behavior. But if you just drive deep into this man, you will be convinced how unscroupolues and corrupt he is. About his character I am in search of proper evidence and when I will get it, I will certainly submit to you but there is no doubt there is drawback in this direction. What I would like to submit is that I am not writing this owing to ill-will or projudice against this man, but I want to bring this to your information, that how a responsible officer of your Government bringing discredit to Government and doing Grave injustice to innocent people. I am sure you will certainly be convinced if you make a confidential enquiry about it.

I end herewith much hope that this will be set right.

Yours Faithfully,

(B.A.) (M.S.R. Gowda).

My dear Ranga Rao,

Please refer to your demi-official letter No.1759/C.B. dated 19th February 1935 forwarding a communication containing certain allegations against Mr.J.B.Mallaradhya, Sub Division Officer, Dodballapur Sub Division. The Deputy Commissioner, Bangalore District who was asked to make confidential inquiries about these allegations and also about the financial condition of Mr.Mallaradhya has submitted two reports dated 18th March and 6th April 1935 respectively, copies of which are herewith enclosed.

It does not seem necessary to pursue the matter further at present.

Yours sincerely,

D.O. letter No. C.C.140/34-35 dated 18th March 1935 from the Deputy Commissioner, Bangalore District, to the Revenue Commissioner in Mysore, Bangalore.

With reference to your D.O. letter No. T.22/34-35 dated the 19th February 1935, forwarding a petition purporting to be from one Javaregowda making certain allegations against Mr. J.B. Mallaradhya, Sub Division Officer, Dodballapur Sub Division, I beg to state that I sent the petition to Mr. Mallaradhya for his remarks. I send herewith his reply. He has denied the allegations made against him.

2. So far as the alleged over-valuation of the lands belonging to Mr. Thamtegowda of Hosahalli is concerned, I may state that all cases of acquisition relating to the Thippagondanahalli Water Works were scrutinised in my office before the rates of compensation were announced. I had ordered this as a general arrangement as lands for the Water Works were being acquired by three different Officers viz., the Sub Division Officers of Bangalore, Dodballapur and Closepet Sub Divisions, and it was necessary to secure, that the same level of valuation was adopted by all of them. The allegation of over-valuation has no foundation.

3. So far as the complaint of the Excise Clerk of Devanhalli against the Vice President of the Devanhalli Municipality is concerned, there is nothing in the incident against Mr. Mallaradhya. The enquiries held by my predecessor as well as by the District Superintendent of Police only show that the Vice President Mr. Chennaveerappa took a loan from the clerk stating that he would intercede on his behalf with the Sub Division Officer Mr. Mallaradhya in respect of a promotion. The appointment in question was actually disposed of on the basis of the applications received from the Central Recruitment Board. The Officer who disposed of the vacancy was not Mr. Mallaradhya. I may also draw attention to the remarks of the District Superintendent of Police that Mr. Chennaveerappa had on two previous occasions cheated people in different ways and that he was given to making money by such objectionable means. I send herewith the records of the enquiry held by the Deputy Commissioner and the District Superintendent of Police as also Mr. Mallaradhya's letter

letter offering his remarks on the facts elicited.

4. The petition obviously has emanated from one who bears ill-will to Mr. Mallaradhya.

D.O. letter No. C.C.140/34-35 dated 6th April 1935 from the Deputy Commissioner, Bangalore District, to the Revenue Commissioner in Mysore, Bangalore.

With reference to your D.O. letter No. C.3817/34-35 dated the 1st April 1935, I enclose herein, in original, the reply received from Mr. J.B. Mallaradhya, furnishing a detailed account of his present financial position.

As regards the Excise Clerk Anjanappa, I have issued a notice to him to appear before me and I shall take suitable notice of the conduct of the official after hearing him and shall communicate to you in due course the orders passed by me in the matter.

MR. J. B. MALLARADHYA, M.A.
ASSISTANT COMMISSIONER

OFFICE OF THE ASSISTANT COMMISSIONER
DODDABALLAPUR SUB-DIVISION

Bangalore, dated 6.4. 1935.

My dear Sir,

With reference to Your letter No Nil dated 3.4.1935, forwarding for report an Extract from the Revenue Commissioner's letter dated 1.4.1935 re my present financial position, I beg to state as follows:—.

During April 1933, I was asked by the then Revenue Commissioner to explain two questions more or less worded thus:—.

Fl. 2 1) How long since is Your Salary under attachment?

2) How many years would it take for you to repay Your debts?

I remember to have replied as follows:—

Vide Fl. 9 1) My Salary has not been under attachment

2) I am not so seriously involved in debts as to require years for repayment.

I further prayed, that if there be no objection, I might know Why such information was called for from me.

With regard to the present enquiry, I beg to submit that I am an undivided member of a joint Hindu family consisting of three brothers. My Eldest brother is the Manager. The family property consists of lands and houses, the whole standing in the name of my deceased father or Eldest brother. The property might be estimated at Rs 15,000/= according to present market conditions. As against this, the family debt incurred for unproductive purposes such as marriages, and ceremonies, and productive purposes ~~such as purchase and improvement~~ of lands, amounts to Rs 6000/= approximately. Out of the total debt of the family, it is difficult, strictly construed, to classify my personal debts. But in any case, even on a liberal Estimate a sum of Rs 1500 - Rs 2000/= might be taken to represent my personal debts. I am not pressed by my Creditors to pay up my debts in a lumpsum nor have I lost credit generally nor the confidence of my Creditors. My salary is not under attachment, subsequent to my report of April 1933. There are no decrees pending execution against me -

P. T. O.

I wish to state that my present financial position is sound. My normal income is in excess of my expenditure, leaving a balance of Rs 50-60 per mensem, after making adequate provision for Life Insurance, Official Provident Fund, Etc amounting to Rs 85/- per month. Beyond the maintenance of a car, (Ford) I have no luxurious habit of living nor wasteful items of expenditure to meet.

In this Connection, I might be permitted to bring to Your Kind notice that some mischievous persons are carrying on a persistent Campaign of vilification against me. The D.O received is resubmitted

Yours Sincerely
